EDUCATION

1983-1991 University of Alabama at Birmingham, AL
Doctor of Philosophy, March 1991
Psychology, Behavioral Neuroscience specialty

1976-1982 Samford University, Birmingham, AL
Bachelor of Arts, May 1982
English major, Psychology minor
Kurz Award for high academic average, May 1982

1960-1962 Western Michigan University, Kalamazoo, MI
Music Major

CURRENT WORK EXPERIENCE

August 1991- present Samford University, Birmingham, AL

Teaching

-Professor (tenured, May 2002)

Courses taught:

General Psychology	Research Methods	Drugs and Human Behavior
Psychology of Adjustment	Physiological Psychology	Abnormal Psychology
Life-span Development	Directed Research	Human Sexuality

-Professor-in-Residence, Samford University London Study Centre, Fall 1997

Taught "Individual in a Multi-cultural World" (cross-cultural psychology of adjustment). Shared duties of operating and administering study center with one other professor-in-residence

-Director of Undergraduate Psychology Internship Program

Developed program, Fall 1994. Place students in area facilities involved in mental health, family issues, psychology research, or human resources; also monitor internship and make assignments relative to internship activities.

-Course Development: "Psychology of Adjustment: Cross-cultural Perspectives"

Designed field course and taught same from Samford's London Center, during 1996 and 1997 January terms; 1999, 2001, 2005, 2007 Summer terms. Course includes student visits to various social service agencies, museums and sites, all connected in some way to London's immigrant populations.
